The price is calculated as follows.

- 1) When you order 150 larvae of one strain, the fee for three strains is necessary.
- 2) When you order one pupa of each 5 strains, the fee for five strains is necessary.

Egg : 100-200 grains per one moth.

DNA : 10 microgram per one tube.

Please contact us (if more than 51 strains are required) .
